

**Emmaus
Christian
School**

**This is our moment, together, to shape the
heritage we will create for
future generations of students and their
families and carers”.**

Our School remains committed to stewarding the faithful vision given to a small group of passionate and committed Christian parents who established Emmaus Christian School in the 1990s. This commitment sits alongside our school's Masterplan, something we've taken great delight in enacting and seeing come to fruition. This has been made possible with the abundant providence of our faithful God, the blessing of Commonwealth and ACT Government grant money, and the utilisation of funds saved over many years from Emmaus Building Fund contributions.

In the past 12 months we have continued to complement our learning spaces with beautiful outdoor community spaces and sports facilities, including a multi-purpose court and sensory garden for students, families, and community members to connect (pictured).

At Emmaus Christian School, we are grateful for the way our community partners together in supporting the growth and wellbeing of our students. We invite you to consider contributing to our Building Fund, as we continue to develop and maintain facilities that serve our children and families.

Your donation helps to provide spaces where students can flourish academically, socially, and spiritually. Your generosity is deeply appreciated and makes a meaningful difference to our school community.

The Emmaus Christian School Building Fund is endorsed as a Deductible Gift Recipient (DGR), and therefore all donations of \$2 or more are tax deductible for income tax purposes. A tax receipt will be emailed for all donations.

Donations can be made via an EFT transfer.
